Respected Sir,

As personally directed by this morning, I beg to state that I have on the 14th January 1912, submitted thro' the Dy. Comm. a memorial re my claims for the post of an Assistant Commissioner, and I learn that the same has been submitted to Govt by the Revenue Commissioner. I pray that the same may be kindly perused & justice done to me.

I respectfully beg leave to briefly set forth, the nature of my claims for ready reference:—

1. I have put in nearly 20 years' service which the majority of those now acting as Assistant Commissioners, have not done.
2. I have passed all the examinations prescribed for Assistant

Commissioners - while several who are now acting have not fully qualified themselves.

3. I am a Graduate in Arts & Law and have attended & passed the English Lents & Essay portion of the Civil Service Examination of 1897. I am thus not less qualified than some who are now acting as Assistant Commissioners.

4 I have served in two of the largest Taluks of the Mysore Dt. viz. Mandya & Chamarajanagar and I have rendered service to the satisfaction of my Superiors & the people alike - during such trying times as widespread distress and epidemics.

I therefore humbly represent that my claims are entitled to preferential consideration over that of others who are now acting as Assistant Commissioners. I pray that I may be given the post of an Assistant Commissioner or any other post of equal status in any

To
Mr. Kantaraja Urs Esq. B.A.
Deputy Commissioner,
Thro' The Sub Division officer, Mysore Dt.
Nanjangud Sub Division

From. G. Narayana Rao B.A. BL
Amildar
Chamarajanagar Taluk.

Respected Sir,

I humbly beg permission to lay before you the following representation concerning myself for your kind and favorable consideration:-

1. I entered the service of Government so long ago as July 1892, and I have thus put in more than 19 years service under Government. This is more than any other Law-Graduate Amildar except Mr Gopalakrishna has put in.

2. I have passed the following Departmental & other Examinations:—

(a) B.A & B.L. Degree Examinations of the University of Madras
(b) Mysore L.S. Revenue Examination (old) Corresponding to the present Revenue Higher.
(c) Do - Criminal Examination
(d) Do - Accounts Examination (old) Corresponding to the present Accounts Higher.
(e) Do - Registration Examination.
(f) Underwent a course of training in Equitation & passed Equitation certificate.
(g) Do - in Survey Work.
(h) Passed the General and Revenue Secretariat Manuals Examination.
(i) Attended the Mysore Civil Service Examination held

held in 1897 and after having been passed by the Medical Board and also passed the written examination in English Essay and Essay (as I was asked to attend the viva voce examinations in these subjects). I failed to secure the minimum number of marks in the English Literature paper. I have thus passed the physical fitness and general subjects tests of the Civil Service Examination also.

I have passed almost all the above examinations with credit. In the B.A. degree examination, I secured a 2nd class pass in the English & Vernacular Branches. In the Accounts Examination, I stood 7th in the list of passed candidates numbering about 70, & was above all the other Amildar-Candidates who passed with me. In the Registration Examination, I secured the 4th place among about 35 passed candidates, and again stood above the other Amildar and Probationary Assistant Commissioner candidates, who passed with me. Again in the Survey Training class Examination, I stood 2nd in the list & secured the remark 'Excellent', being one of the only three Amildars who secured such a remark. Lastly, in the General and Revenue Secretariat Departmental Examination, I secured more than 75 per cent of the marks and was put down as having passed 'with credit'.

3. I have thus fully qualified myself by passing all the examinations prescribed for Assistant Commissioners.

4. Except Messrs N. Rama Rao (acting Assistant Commr) and A. Hayes, I am the only Amildar who has passed all the prescribed Examinations (including Accounts) for Assistant Commissioners among the Amildars above me in the Civil List. That my work has been recognized as satisfactory, may be inferred from the fact that I was given Special promotion in the General and Revenue Secretariat from Rs 55 to Rs 100 in 1904 and placed in charge of one or other of

of the important Branches viz Revenue and Financial, during the two years I was in the Secretariat from 1904. I was for some mos placed on Special duty in connection with the Revenue Board Scheme & worked at Madras and Bangalore. In 1906, at my own request, with a view to better my prospects in the executive line, I was appointed Amildar of the Arkalgud Taluk in August 1906 & since then ie for more than 5 years, I have served in 3 Taluks including the large & important Taluks of Mandya & Channarajanagar. I have always tried to do my duties honestly, Con- -scientiously and to the best of my abilities under such trying conditions as wide-spread distress and Epidemic diseases.

6. By leaving the General and Revenue Secretariat, I have suffered in my prospects instead of gaining anything as I fondly hoped. In the ordinary course, I should have got the grade of Superintendent on 15-10-200- while here, since the last 5 years I had no promotion whatever (except a temporary one which lasted for a few months), besides being superseded by many of my juniors as shown below for no fault of my own.

7. The following officers who are my juniors in service, have been given Special promotion over me: —

(a) Mr H. Vyasa Rao BA, who is not a Law-Graduate, & who entered service only in 1896 & was below me in the General and Revenue Secretariat Gradation List, has been appointed to the Gazetted Service as Asst Superintendent of Survey.

(b) Mr Chakrapani Iyengar, Amildar, who is several places below me in the List of Amildars and who entered Service several years after me (viz in 1897), has been appointed to act as Assistant Commissioner & has been acting as such for years.

(c) Mr Simon Raben, Amildar, who is also below me in the Civil Dept & who has not passed some of the Examinations prescribed for Assistant Commissioners & who has put in Considerably less Service than myself & is not a Law Graduate, has

has been appointed as an Assistant Commissioner.

(d) Mr. C. Narayana Rao B.A.B.L, Amildar, who is a Co below me in the List of Amildars and who has put in less service than myself, and has not passed the Registration Examination, prescribed for Assistant Commissioners, has been appointed to act as an Assistant Commissioner.

(e) Lastly, several candidates appointed as Probationers on Rs 100/- in 1904 on the ground of their having passed in the Civil Service Examination, were made Amildars & subsequently most of them have been appointed as Assistant Commissioners, although at the time of their first appointment, I was drawing not less than 100 Rs & put in several years' Service & fully qualified myself for Amildari. I refer to these officers briefly to urge that my claims to promotion are (in no way inferior to theirs as I have also passed examinations of the Civil Service Examination, put in a long service and passed all the prescribed examinations, taking high places in most of them.

8. I respectfully beg that on a consideration of the facts above brought to notice, you may be pleased kindly to place my first claims for the favorable Consideration of the Government, with your strong & recommendation for my promotion to the grade of an Assistant Commissioner in one of the existing Vacancies.

9. In Conclusion, I humbly beg to be pardoned for this intrusion on your valuable time.

I beg to remain,
Respected Sir,
Your most obedient &
humble Servant
